↑ ↑ Fold here and attach to top of box so this label is visible. ↑ ↑

When shipping your computer to us for the OPTIMIZER II™ Performance Chip Upgrade, please fold this sheet on the dotted line and attach to the TOP of the box you are shipping to us. THIS IS VERY IMPORTANT. If this form is not attached to your shipment, there may be a delay in returning your computer. This is due to the large number of packages we receive every day that are delivered with no department notification on the outside of the package. If this form is not attached, the shipping department will not know to deliver your package right away to the tech department for the upgrade. If you wish to take advantage of our same day return shipment, you must also make sure your package is scheduled for early morning delivery WITH THIS FORM ATTACHED to allow us enough time to perform the upgrade and attempt to re-ship back to you the same day as received. Kenne Bell makes every effort to attempt to ship computers back the same day as received, however, FAILURE TO SCHEDULE YOUR DELIVERY FOR EARLY MORNING DELIVERY TO KENNE BELL AND / OR LACK OF ATTACHING THIS SHEET TO THE OUTSIDE OF THE BOX, OR MISSING / INCORRECT INFORMATION INCLUDED BY YOU MAY DELAY RETURN OF YOUR COMPUTER.
